CS 373S P7: Model Refactoring (The Sequel)

Jeff Bell - jhb2596   John Filippone - jpf735

jhbell@utexas.edu   johnpfilippone@yahoo.com

April 1, 2017

Running the Program

The program and some tests can easily be run by navigating to the `filippone-bell` directory and executing the command:

```
$ ./run.sh
```
